*In the Name of God the Compassionate, the Merciful*

*In the Name of God the Compassionate, the Merciful*

**21. This is the Day you were falsifying for dispensation of Divine Justice.**

## **Moral**

The actions are always to be judged by immutable standard of right and wrong, but judgment will consider age, country, station, and other accidental circumstances. Judgment is like a pair of scales and evidence is like weights, and Divine Will shall hold the balance, with a slight jerk of a proof of Divine affection and of Divine Lights, it will be sufficient in many cases to make the lighter scale appear the heavier. Never forget the Day of Judgment.

Keep it always in view and frame your actions and plans with a reference to its unchanging decision (depending on Divine Love and of Divine Lights). Love implies obedience – (note carefully) acts due to admixture of filthy earth may be

liable, yet proof of Divine Love, causing mental pain for their issue and penance may lead judgment to relaxation.

3.God is too Great to be withstood, too Just to wrong, too Good to delight in anyone's misery. We are, therefore, to quietly submit to His dispensation at the very best. Avoid, therefore, the devil's urging you to do against Divine Will. he is laughing at your sneering at others, which raises your emotions of rage and fear, and when you frown of hatred darkly falls, hope will wither and mercy shall bid farewell. Do not eject anyone under wrath, and be not inflated with your worldly position.

Remember (1) "humility and love" are roots, mother, nurse, and foundation of bond of virtue. (2) Do not entertain "mental misgivings" and (3) impede not the faithful to do righteous deeds, and (4) assault not the weak, (5) and adopt no cunning and knavery to the simple, by laying out a snare, wherein shall you shall entrapped, and (6) desire not honour, like the proud, and (7) wealth, like the covetous, and (8) revenge not like the malicious, and (9) seek not pleasure of Epicurean, (10) and beauty like the wanton, in opposition to Divine Will. Be wise (11) in desiring no more than what justice demands. (12)

Use it soberly, with modesty and humility of mind and with temperateness and chastity of body and (13) distribute its excess cheerfully and (14) live contentedly. (15) do not take a fancy to worldly curiosity, (16) getting into the devil's army, (17) rendering him service and partnership. (18) Remember his befriending you is dragging you to hell.

4.This hunger shall over-power their own pain.

However, upon Rubel's planning, although Divine disaster as desired by Jonah approached, but was averted and Prophet Jonah was exhorted for his haste as above.

**Moral**

Prophets, having been raised among them, by God, duly trained, have been a continuous cause of creating doubt as to their being “Genuine Divine Lights.” It has been repeatedly pointed out. Man would not have taken social behaviour with an angel or an animal or any one sent by God, from Heaven, not belonging to his species. The devil thus created jealousy in them, by eulogizing worldly pursuits, belittling Eternity.

In Couplet 11 it is distinctly stated the Prophet’s followers for falsifying him and his family as Divine Lights have not yet been punished like those of the preceding Prophets.

***24. David said, “Verily your brother is unjust in demanding your goat, in spite of holding so many, and most partners deal unfairly with their co-partners, except the faithful who are virtuous in their dealings, and these are few in number. David realized (later) We had tested him and he prayed forgiveness from his Providence and fell in prostration, while directing himself under penance (for having made a statement without thrashing out the case).***

***25. We forgave him for this act of his and he had a close proximity to Us, and a high grade.***

2.Continuous downpour of Divine bounties kept Job ever acknowledging them, which led Satan to pray to God to let him try Job. If he remains grateful, even amidst adversities, when he would be worthy of recommendation God consented to let him try him, except on his reason. This resulted in lost of his immense property and children, but Job tolerated them patiently. Later, the devil attacked his body, which led his followers to suspect him, upon which Job appealed to God to be merciful to him. When his wife offered her hair to relieve his pain when Job swore to beat her.

3.These couplets refer to Bani Umayyah and also unauthorized successors of the Prophet.

4.Shias of mischievous nature cursing our leaders.

5.Of the emergence of the 12th Divine Light.

6.Just as the devil did not realize in Adam, Divine Light being Divinely trained and he judged him only from his physical composition (he viewed), so all the earthly creatures who have seen the prophets being born on earth, overlooked their special training as Divine Lights by every kind of sin. They began to become jealous of them and refused to admit their leadership after their ringleader, Satan, to whom they easily fell a prey.

# Surah al-Zumar, Chapter 39

*In the Name of God the Compassionate, the Merciful*

## Verses 1 – 9

*1. This text is revealed from God the Almighty and All wise.*

*2. Verily have We revealed it to you with definite motive, pray unto Him sincerely (in all affairs).*

*3. Beware, implicit obedience is justifiable unto Him alone. Those who have taken, barring Him, as their lord – they do not pray to them, except with a view to intercede on their behalf to Us.*

*Verily shall God decide, amongst them, the differences they hold (in faith). Certainly God does not guide a misguided sect.*

*4. Had God desired to adopt a son, he would have selected one among the creatures He liked. Pure is He, as God the Omnipotent.*

*5. He created Heaven and Earth with a definite object and brings night to follow the day and day to follow the night and has caused the sun and the*

*moon to revolve, all revolving for a definite time. Beware; He is the Omnipotent and Mighty at Forgiveness.*

*6. He created you all out of one (Adam) and then made partners thereof and created for you from animals eight pairs, and created in a womb of your mother's embryo, guarding it in three gloomy chambers of the abdomen, uterus, placenta. This is your God, Lord of the entire kingdom. There is no other God save He. Where are you going astray?*

*7. If you deny and (not thank Him), verily God is independent (of your worship). But He does not approve of your infidelity, whereas if you thank Him, He will be pleased with you, and none is going to carry the load of sins of others (and after death) have you to revert unto Him, when He will point you out, how you were behaving. Verily He is acquainted with the secretes of hearts.*

*8. When calamity approaches man, he prolongs his prayers, and when he is endowed with bounties to boot forgets Him altogether whom he prayed for salvation before that and starts associating (others with God) to misguide others from His path. Say, "Enjoy with your worldly gifts by your infidelity, verily you are of Hell."<sup>1</sup>*

*9. Is he who is constant, day and night, in prayers, prostrating and standing and fearing eternity and hoping in Divine grace alike him who knows not? Verily this fact is appreciated by the sensible."<sup>2</sup>*

## **Moral**

Embryo as it is born is guarded in the placenta lying in the uterus within the abdominal cavity, where it is nourished under the blood of the menses as water

grows vegetation, until it is fit to suckle milk which is reconverted from blood, apart from excreta. Such is the Might design of the Almighty.

## **Verses 10 – 21**

***10. Say, “Oh you faithful fear God, your Providence. He who acts virtuously in this world has in Eternity Paradise for him and God’s earth is extensive (for you to select worshipping Him freely when you are constrained otherwise). There is nothing but the patient shall be rewarded without accounting.”<sup>3</sup>***

***11. Say, “I am of course ordained to obey God sincerely.***

***12. And I am further constrained to be the first among those who have embraced Divine covenant.***

***13. Say, “I am afraid of the great Reckoning day if I disobey Him.***

***14. So, I pray to God sincerely away from all deviations (which are the outcome of mental misgivings).”***

***15. You pray whom you like, barring Him. Verily among losers shall be those who have so acted and brought their families to this stage (of destruction) on Reckoning Day. Lo! This is an evident loss.***

***16. For them alone is fire above and below. Thus frightens God His creatures. Oh my creatures fear (Me).***

***17. Those who forsake praying unto (the devil – everything except theocracy) non-god and are directing themselves to God, for them is tidings. Give my creatures this good news.***

***17. Those who listen to the word of advice, following truth, apart from falsehood, are only those whom God has guided and are sensible.***

***19. One on whom Divine punishment is settled, how can you set him free who is already condemned to tell.***

***20. But those who fear God, their Providence, have high chambers of Paradise for them, so solidly built below which flow canals. This is Divine promise and God shall not contravene His promise.***

***21. Did you not notice God sent rains from clouds from which run out streams on Earth and wherefrom grow variegated crops different in colour and then turn pale, then He breaks them to pieces. Verily in this is advice for the sensible.***

## **Moral**

The main view is maintenance of Theocracy by following Divine Lights without any external physical force but throughout reasonable approach – against political powers of divergent conflicting ideologies justifying claims of their government, on their own principles to maintain peace and welfare of the public

(not all) – but a major part in itself is fundamentally untenable – some sticking to Panch Shilla, desirous of maintaining their holdings without tolerating foreign interference whereas God claims the entire

Heaven and Earth as being His property.

Validity of this claim fails to appeal to religious reason. Others offer money, men and materials to draw to themselves, for their personal protection out of present self-sufficiency. But their guarantee extends to this world only whereas this is simply a journey and ultimate destination shall be settled after death. Of what avail is this bait? The ultimate result of all this is emergence of One Great Power (of Divine Lights) under Divine Nomination to dominate the rest (whom some faiths claim “The Supreme God sometimes takes human form). This is association leading to Hell.

## **Verses 22 – 31**

***22. Is he whose chest God has expanded to admit Islamic Laws and is on enlightened path of God like the other who is otherwise? Sad is it for them whose hearts are hardened from Divine Remembrance, who are in open misguidance.<sup>4</sup>***

***23. God has revealed an excellent Book, couplets of which are repeated and by reading of which bodies of those who fear their Providence throb. Then their bodies and hearts are softened to remember God, and this is guidance with which He guides whom He likes, and whom He forsakes, he has no other guide.***

***24. Is one who is afraid of intensity of punishment like the disobedient, who will savour punishment of his doings?***

***24. Their predecessors falsified, so came to them their punishment whence they had no idea.***

***26. God caused them to savour disgraceful punishment of the world, and that of Reckoning Day, shall be more intensive, provided they realize.***

***27. Verily in this Qur'an have We exemplified every kind of ease so they may take a lesson.***

***28. The Qur'an, which is written in Arabic, has no defect. By following it they will become pious.***

***29. God has (in the text) exemplified a case of a servant serving a party of varying temperaments (ideologies) and another who is safe against such masters, serving One (Supreme) God only.***

***What! Are they both alike? (Certainly not). Thank God, but most of them do not realize.***

***30. Verily you will die and they too.***

***31. When you will, on Reckoning Day, comes fighting for your rights (viz. Bani Umayyah and Bani Hashim) before your Creator.<sup>5</sup>***

## **Moral**

Theocracy has advanced an argument, overthrowing all other political ideologies.

### **Verses 32 – 41**

*32. Who can be a greater disobedient than he who falsifies God and Truth (Divine Light and Text) when it came to him? Is not therefore hell a fit abode for infidels?*

*33. He who came with Truth<sup>6</sup> and he who confirmed the Truth<sup>7</sup> are both pious<sup>8</sup>*

*34. they shall have (power of intercession, etc.) what they will, before their Providence, and this is the reward of the obliging.*

*35. So God may separate them, far apart, for those who have associated and rewarded them their worth better than they have acted (as a matter of grace).*

*36. Is not God enough to protect His creatures? They threaten you with any other than Him (Who is Omnipotent), whom God forsakes, none can guide.*

*37. And him whom God guides, none can misguide. Is not God enough to avenge (the misguided)?*

**38. When you ask them who created the heavens and the earth, verily they will say, "God." Tell them, "You see, you call those save God," if latter (God) intends harming your gods, is there anyone who can divert His injury? Or if God intends to favour anyone with His grace, is there anyone to bar His grace? Say, "Depend upon God, on Whom depend those who depend."**

**39. Say, "You members of the sect, act in your place what you choose, and I shall act in my place. Shortly, shall you see the result of action."**

**40. As to whom comes disgraceful punishment and upon whom befalls lasting Divine Wrath.**

**41. Verily have We revealed unto thee a Book for the people with sincere intention. He who is guided benefits self, and he who remains misguided is due to his own acts, and you are not their safeguard.**

## **Moral**

The virtuous stated in Couplet 33 above are qualified (1) by Truth, (2) by honesty, (3) by trustworthiness, (4) by less priding, (5) by forbearance, (6) by obligation to relation, (7) by kindness to the poor, (8) by minimum mingling with ladies, (9) by charitable disposition, and (10), by courteous behaviour. Any difference from the above will result in the difference of grades of the virtuous.

## **Verses 42 – 52**

**42. God removes the energy of the soul (kinetic) (call nafs) during death of man and during sleep, when not dead, holds back, if he is destined to die (for the soul to meet I and returns it otherwise, if he is to be alive (upon which the sleeping man awakes). Verily in this are signs for those who meditate.<sup>9</sup>**

**43. What! Have they taken barring God those (non-authorized) who shall intercede on their behalf? Say, “Even if they have neither power nor possess anything, will they interfere in interceding?”**

**45. When they are reminded of theocracy<sup>10</sup> their hearts became stiff, who have no faith in the Future State, and if spoken of otherwise, they become puffed up out of joy.**

**46. Say, “Oh God, Creator of the heavens and the earth, and Knower of secrets and open, You shall decide among Your creatures in matters they dispute.”**

**47. If those who have falsified<sup>11</sup> shall have everything of earth and equivalent thereto to boot, to offer in lieu of their disobedience, in this world from evils of punishment of Reckoning Day, it shall be manifest to them, it shall not be accepted<sup>12</sup>**

**48. It will be manifest to them, the punishment, which all be meted out to them, for their actions they have done, will envelope them, regarding which they were humbugging.**

***49. When any calamity befalls man, he (man) prays out long to remove it, and when We endow bounty on him, he begins to say, in which it is due to his knowledge. Rather, this is a trial, but most do not appreciate the fact.***

***50. Similarly, said their predecessors and nothing what they achieved could save them from Our wrath and for thanklessness.***

***51. Wrath befell them for their ungratefulness and similarly shall it befall on them for their ungratefulness and they are not going to withstand Us.***

***52. Did they not realize, verily God expands provision on whomsoever He likes and contracts otherwise and verily in this are signs for the faithful.***

## **Moral**

On plea of search for truth to contribute to public happiness, when Divine Truth has already come to them saying there is no happiness in this world, except under contentment, out of vanity, scientists have refused to resign to religious discipline, to give up experimental technical researches, and have reached a stage in discovery of nuclear fissure, to destroy the very civilization, for maintenance of which they have forsaken “future state,” disregarding Divine Wisdom, which cannot go hand in hand with selfishness, proceeding out of vanity to surpass one another.

Present suggestion of barring this weapon of mass destruction offers no solution, for any nation facing defeat, abandons all scruple, and will use every weapon which could decimate the enemy. Excuses can always be brought forward for use of any diabolical weapon on retaliation. Energy released by fission of one pound is equal to 1500 tons of good coal burnt and one pound deuterium undergoes fusion in a thermo-nuclear reaction equals 10,000 tons of coal. Hydrogen bombs

capable of producing explosion equivalent to detonation of two million tons of high explosive are in possession of America and Russia.

Almost every discovery can be used for evil as well as for good.

Even medical sciences have produced the spectre of bacteriological warfare. Were not teachings of Haroot and Maroot, for setting aside evil defects of magic misguided by the then generation? On account of which it was illegal. (Vide footnote (103), page 19 of the first set of this translation). Has not Divine Text given geographical location of Sakar (hell – Vide page five under footnote – regarding which fifth Divine Light “Imam Mohammad Baqir”) said, “There is a mountain in “Sakar” known as “Sawood,” on the top of which is a plain known as “Sakar” in which there is a well, covered with a lid which, if removed, heat there will baffle the inmates of hell and who will raise hue and cry. This well is the residence of tyrants. Why falsify this truth presaged by Divine Lights – for our own benefit? And go on, in vain research of scientific truth against Divine Will? Solution of this entire struggle is in the following paragraph (six) commencing with Couplet No. 54.

The object of creation is to pray to God as per His Will and not think of providing for future generations to come. This is the look out of Providence Himself. This interference is Association leading to Hell. His Will is declared unto Divine Lights. Hence, object of creation is to follow Divine Lights, if Divine Proximity is needed.

## Verses 53 – 63

***53. Oh you My creatures<sup>13</sup>, whoever among you has ruined himself, under disobedience, need not despair of Divine mercy. Verily shall God forgive all true Shias (provided they do penance) for transgressions<sup>14</sup>***

***54. and vainly follow pursuits in vanity. And direct yourself to your Providence, obey Him prior to coming of Divine punishment, when you will***

*not be able to help yourself against it.*

*55. Follow the best, i.e. safest, wherein are no pitfalls, path of what is revealed unto you from our Providence, prior to coming off punishment suddenly, when you will be unaware.*

*56. And when you say, "Alas, how neglectful I have been of the Divine Lights (the Infallibles) to get Divine proximity, and have had been among the jesters."*

*57. Or you may say, "Had God guided me I would have been among the pious."*

*58. Or say on seeing the punishment, "If I had reversion (to the world) I would have been among the virtuous."*

*59. Rather did come to you My guidance and you were among the infidels.*

*60. And you will see the falsifiers of God on Reckoning Day (turned) in black faces. Is not hell a fit home for the proud?*

*61. And God shall grant salvation to the virtuous for their deeds. No wrong shall touch them and no sorrier shall they be.*

*62. He is the Creator of all and He is Omnipotent.*

***63. With him are the keys of the heavens and the earth and those who falsify Him are to suffer.***

## **Moral**

Bodily notes, if fully studied, should suffice.

## **Verses 64 – 70**

***64. Say, “You ignorant, do you advise me leaving God I should worship anyone else?”***

***65. Verily have We revealed unto thee and thy predecessors, if thou i.e. (they) associate My Commands (transmitted to them by Divine Lights) with other (of their creative mind) their acts shall be voided and certainly be among the sufferers.***

***66. Rather pray unto God and be grateful unto Him.***

***67. You have not appreciated God as per His entity (how can then dare you think of approximating Me without Divine Lights?) (Who are designed to declare Him to you) and the entire earth will be under His control on Dooms Day.***

***68. When the first siren will blow, all inmates of the heavens and the earth will***

*succumb to death (except Divine Lights and martyrs). When the second siren will blow (after 40 years' interval) they will rise looking about (to render account).*

*69. The entire earth will be enlightened by Divine Lights (without presence of the sun and the moon) and books of record be opened out and will come the Prophets and martyrs, to give evidence, and full justice will be dealt with among them with truth without any drawback.*

*70. Every soul will get its full due of its actions, and He is fully acquainted with your dealings.*

## **Moral**

From 64 above, it is clear, any pursuit against the Prophet's suggestion of man is proceeding in vanity, be it scientific in Nature or Politically defensible, especially in the holy months when heavenly gates are opened for an easy approach, to simply follow the Devil (Inner Fort) who is simply waiting to draw them to Hell. It is very common among the so-called faithful to see them gossiping – nay, backbiting one another in pursuance of ill-feeling they bear to members of the same faith (and yet hope to claim the same privileges, which Islam offers to them) by following passion and mental misgivings, arising out the devil's intrigue, against their weakness of faith.

## **Verses 71 – 75**

*71. And infidels will be driven in a group, each led by its leader, to hell until they approach its gate (according to its grade) which will be opened to them when the Head guard will address them, "Did not the Prophet come to you and*

*read out to you Commands of your Providence and warn you (on the result of disobedience) of this day?” They would say, “Verily, but came true the word of punishment on the infidels.”*

*72. In reply he would say, “Better get into it and remain forever.” And it is an awful place of residence.*

*73. And the virtuous will be led into various paradises.<sup>15</sup> Until they arrive at the gates of paradise, which will be opened to them<sup>16</sup> and the angel in charge (Ridhwan) will address them, “Be peace on you, you have become purified and will remain so forever.”*

*74. And they will say, “Thank God, who fulfilled His promise and made us inheritors<sup>17</sup> to take room wherever we choose, and how fine is the reward of the virtuous.”*

*75. And you will see the angels circling around the “Arsh) praising their Providence and the entire affair will be settled with justice among them and they will thank God to Whom it is due in entirety.*

## **Moral**

Quite clear as to the safety – lying in Divine Awe and following Divine Lights.

---

1.This refers to the first illegal successor.

2.This solitary couplet refers (1) to the immaculates, (2) their enemies, and (3) followers of Divine lights, the followers of the immaculates, i.e. (1) Lords, Divine Lights, who represent God, transferred Epithets, (2) their enemies who are worse than brutes, (3) vassals, who own fealty to Divine Lights. Thus annual Muharram religious meetings revive their fealty and must be continued until Resurrection.

3.On reckoning Day, those who tried in this world for adhering to prayers and His Commands shall straight march on to the Gates of Paradise, which shall be open to them for admission without having to be detained to render account.

4.Note: The heart is the best logician. If wrong our hearts, our heads are right in vain. "The heart has reason in which reason does not understand." All our actions take their hue from the complexion of the heart, as landscapes take their variety from light. the heart never grows better by age. A young knave will be a great rogue as he grows older, unless the heart of the rogue is rewarded by Divine Grace under penance. "It is more fatal to neglect the heart than the head." This is what the present age is doing. With development off experimental and intellectual science, they are ready to ruin humanity by bombs and their progeny too, about whom they are otherwise keen simply for want of purity of heart. Kind hearts are more coronets. Therefore, want and wealth equally harden the human heart, as frost and fire are both alien to human flesh.

Today, unemployment rules all over and wealth has cornered to the East viz. America, who to win over on its sides, advances money and materials, thus proving its own weakness, against theocracy, which is Omnipotent and Independence.

5.So Communism, Republicanism, and Democracy, socialistic, socialism and what not.

6.Prophet

7.Ali

8.Mohammad and Ali

9.Man's principle framework consists of body and soul and he is maintained

alive by food, which is “latent energy” and when converted into kinetic energy, when acting physiologically, appears in different forms as: light, heat, and motion, rendering him to produce useful work, efficiency whereof, depending upon the intelligence with which performance is turned out, in overcoming friction, which is an indispensable evil, to substantiate the work, and is psychologically, when acting on soul, develops spiritual energy (as per couplet 42 supra) which is released when physical actions are dormant, during sleep or after death, otherwise. Development of the spiritual kinetic energy depends on realization of the Prime Mover God, and the agency he employs to cultivate the human soul, to develop, under various means, such as (1) prayers, (2) fast, (3) tithe), (4) pilgrimage, (5) obedience to Divine Commands, (6) actions, and (7) refrain, (8) attachment to and (9) detachment from (truth and justice, and falsehood and injustice) respectively.

Efficiency depending upon skilful and sincere performance of the same to keep conscience clear against frictions or resistance of inner soul with which he has to continuously struggle, by means of Divine remembrance. thus, what is friction in natural philosophy in turning out work, devil, is, in religious philosophy, the enemy to be overcome, in acting righteously.

Clear conscience is thus a Divine voice in the human soul, making known the presence of its rightful sovereign, the auth of “lawful and holiness and faith.” During sins, its energy is as if converted into heat, likely to consume the soul, until it is allayed by penitential tears, to retain it healthy. Thus, the soul varies in man. With Divine Lights, it is in five distinct forms, with the faithful in four, and with rest in three, and which are usually employed for worldly purpose, viz. (1) social movement, (2) social intercourse, (3) providing means of livelihood under scientific research etch, so vary, the forms of energy, emanating from various forms of soul. The worldly people, having no faith in life beyond death, deride the faithful and are enraged at the very idea of theocracy, while democracy and communism appeals to them, quickly, its apparent results in this world are “cash” as though, no matter frail and liable, to accounting on Reckoning Day. this is due to neglect of religion, in search of worldly comforts.

Clear conscience wars the man to do right but does not show what is right which is taught by God to Divine Lights who, by associating with men transmit His message to them. Hence, disciplined conscience is man’s best friend, a faithful monitor to the soul is what is health to the human body, and just as a diseased body needs treatment, so does a diseased soul needs Divine Lights to restore its

healthy condition, amidst worldly calamities and adversities. Thus (clear) conscience doth make a coward of us all, i.e. God fearing (in the view of future punishment).

10. Represented by a member of Mohammad's family or Divine Lights, in chase of preceding faith)

11. Theocracy and thus tyrannized Divine Lights.

12. as it is association, which is unforgiveable.

13. Applicable to Shias only.

14. God has definitely said, "He will not forgive associators among who are included those who have given up, following in the footsteps of Divine Lights)

15. Eight of them: One for the Divine Lights, second for the martyrs and virtuous, five for the Shias according to their grades and the last one for the "Righteous Muslims bearing no grudge to Divine Lights.

16. Before admission into paradise, they will be physically and spiritually purified by having a bath in the two reservoirs outside the gates.

17. of earthly beings, for their infidelity.

# Surah al-Ghafir, Chapter 40

*In the Name of God the Compassionate, the Merciful*

## Verses 1 – 9

1. *Ha, meem<sup>1</sup>.*

2. *The revealed Text is from God, the Omnipotent, the Omniscient.*

3. *Forgiver of sins (on penance) and Acceptor of penance and Mighty at Punishment and Mighty at granting Grace. There is no other God than He to Whom everyone has to revert.*

4. *None argues against His Couplets (i.e. Commands) (if in person Divine Lights) barring infidels, care not, be not deceived for their bodily (earthly) movements.*

5. *Before them falsified tribes of Noah and succeeding generations thereafter, and all of them attempted against their prophets to seize them, and litigate with false claims to overpower the Truth. I seized them, and how intense has been My seizure.*

**6. Similarly has proved the word of thy Providence (true) against infidels, in which they are of hell.**

**7. Those who bear (Arsh, Divine Knowledge) and who move among them glorify unto God, believe in Him and pray forgiveness for the faithful (Shias) saying, “Oh our Providence, Your mercy is all pervading and so also is Your knowledge. Pray forgive those who have done penance and followed Your path (i.e. Shias in the footsteps of Divine Lights). Save them from the punishment of hell.”**

**8. Oh our Providence, admit them, with their forefathers, wives, ad children to the highest grade of Paradise, promised by You who (i.e. forefathers, wives, and children) and have reformed themselves. Verily, You are Mighty and Wise.**

**9. Save them from disaster of hell, for he who is saved from it this day, verily has won Divine Mercy and this is evidently a great success.**

## **Moral**

Penance referred to in Couplet Seven above is derived by disowning fealty to non-authorized successors of the Prophet. Similarly wives and children of the faithful who have improved themselves, in disowning fealty to unauthorized, winning of Divine Mercy on Reckoning Day is a special feature of Shias as a result of their fealty to Divine Lights.

## **Verses 10 – 20**

**10. Verily when infidels were invited to follow Divine Lights, they refused and thus have incurred Divine ill-will, which is greater than their present (on the Day of Judgment) and enmity to their false leaders.**

**11. They would say, “Oh our Providence, You did kill us twice and enlivened us twice.<sup>2</sup> We have realized our faults. Is there any relief now therefrom?”**

**12. This is because when you were invited to own allegiance to theocracy you refused under ignorance and when any associative proposal,<sup>3</sup>so now is this the final dispensation of justice from the Glorious Omnipotent.**

**13. It is He who indicates His signs (Divine Lights) to you and sends provisions from the clouds and none takes advice at it except who directs (sincerely) self to Him.<sup>4</sup>**

**14. So you call unto Him sincerely in all affairs (through the message of Divine Lights) although the infidels will resent it.**

**15. God, of Exalted Grade, and universal knowledge, sends His Message of His Will on to whomever (Divine Light He chooses so as to warn of the coming Day).**

**16. The Day they will come out of graves. Nothing will remain hidden from God (when they will be questioned), “Who is the Kingdom now?”**

***17. Today every soul shall reap the benefit of its action. No injustice (for anyone) today. Of course, God is quick at reckoning.***

***18. And warn them of the nearing day when the hearts of the tyrants, out of grief and sorrow, shall come out at the throat, there being none to sympathize and intercede on behalf of the tyrants.***

***19. He is acquainted with (the dishonesty of yours) eyes and (secrets of) hearts.***

***20. And God shall decide with justice, and those whom they cry unto, barring Him (in the world) shall not be able to do anything. Verily, God is all Hearing and Seeing.***

## **Moral**

Clear with bodily notes.

## **Verses 21 – 27**

***21. Do they not walk on Earth and see how has been the final fate of those who preceded them? They were by far the stronger than them in might, and in leaving behind relics of their achievement on Earth. God seized them for their sins and had none to save them from God.<sup>5</sup>***

***22. This is (so far) because the Prophets came to them with open truth. They***

*discarded them and God seized them. Verily He is Mighty at inflicting intense punishment.*

*23. Verily did We send Moses with Our miracles and evident achievements.*

*24. To Pharaoh, Haman, and Karoon<sup>6</sup> who said he was a magician and an imposter.*

*25. So when he came to them with the Truth, as being a Divine Light from Us, they said, "Kill the sons of those who believed in him, leaving the females." And his plotting was nothing but misguidance.<sup>7</sup>*

*26. And Pharaoh said, "Leave me to slay Moses and let him call his Providence (to save him). Verily I am afraid he may change your faith or may spread propaganda on Earth."*

*27. Moses said, "I pray of course, shelter of my and your Providence against all hot-headed tyrants who do not believe in Reckoning Day."*

## **Moral**

Consolation paragraph for Divine Lights and their followers.

## **Verses 27 – 37**

**28. And said a faithful (Hizkiel) a member of Pharaoh's family,<sup>8</sup> "Are you saying for a man who maintains God as his Providence proof of Whose existence have verily been revealed to You? If he is a liar evil of his lie on him, and if he is true, some disaster of what he promises shall verily befall you. Verily God does not guide who is liar and a transgressor."<sup>9</sup>**

**29. Oh my countrymen! Today is your rule over your land. Evidently, who will save us from Divine disaster if it befall us? Pharaoh said, "I do not see for you any good except in myself and I do not guide you except on the right path."**

**30. When the faithful replied, "Oh my countrymen, I am afraid of a disaster which may befall you, like which befell on previous tribes,**

**32. Oh my tribe! I am afraid for you of the Day of the cry for help (Reckoning Day).**

**33. "When you will turn back (on seeing hell to escape elsewhere), and there will be none to save you from God, and none can guide him whom God forsakes.**

**34. Verily, came to you Joseph before, with miracles about whom you had been passed away, when you said (without any proof) God shall never send a prophet (anymore) after his death. Thus God does leave him in his**

*misguidance, who is extremely suspicious.*

***35. Those who keep on defying Divine Commands (in disobedience) coming to them without rhyme and reason (due to self-conceit) intense in Divine enmity of them and of the faithful. Thus does God seal the hearts of those who are proud and haughty (refusing to follow Divine Lights).***

***36. And Pharaoh said, “Oh you Haman, build me a palace so as to enable me to attain to the source.***

***37. “To high plains of the skies to get an insight into Moses’ God, and I am certain he is a liar.” And thus We (as though) eulogized Pharaoh’s deeds<sup>11</sup> in his own eyes and barred him from guidance and Pharaoh’s policy was none but destructive.***

## **Moral**

Reserving one’s tenet of faith, without divulging it when dealing with the tyrant, when there is a danger of life of self and others, is a Divine tact to guiding human kind on the right path, since God has made this world a trial and given chances to every creature to choose for themselves their final destination. It is imperative to appeal to their sense of reasoning in the most amiable manner without directly attacking them for their perverted actions thus guarding, thereby the faith, i.e. life of those who follow Divine path.

Its application in various circumstances has already been referred to under Note 28 (c), page 68, Set 1. If he still persists under presumption, self-conceitedness and obstinacy, thus setting aside reason, a Divine gift, a mysterious prophet inviting him to paradise, God seals his heart and leaves him to his misguidance leading to hell. Note in the same degree, we over rate ourselves, we under rate others, for injustice allowed at home is not likely to be corrected abroad, unless

under self-examination, by calling oneself to account every night: (1) What infirmity have I mastered today? (2) What passions (i.e. enemy to Divine reason) have I opposed? (3) What temptation have resisted? (4) What virtues have I acquired?

“Our vices will abate of themselves if they be daily brought to the shrift.”  
Examine how wise abstinent, obliging and just one has been while reasoning on laws expounded by the authorized and their application in matters of principle and policy, transaction to give and take, or mediating between the ruler and the ruled.

Be eager to take lessons from others by advice and criticisms for well-wishers and avoid evil society and men of discursive trend of mind, by entertaining Divine awe and keeping in view of your object of creation and ultimate reversion to the Master as Whose slave you have been sent to this world, to discharge a contracted obligation, avoiding prejudice and condemnation to anyone in mind, as it affects his mind through the misgivings of a devil, common enemy to man, thanking God for His bounties, of keeping you away from these evils, and wishing well of people at large, dutiful to God, living creatures and the dead, disregard of which shall lead to infidelity, ending in Divine displeasure.

Be moderate in eating, talking, and sleeping and fast as it develops tact, purifies the soul, undermines passion, enables to relish soliloquy. Tiding is for him who remembers Judgment Day, acts for it, remains content on little he gets, and is pleased with Divine decree. As with death, worldly trials end, so with dearth of property (material wealth) accounting reduces. there shall be none on Judgment Day, but shall desire would he had been bestowed by God just what was needed to meet his bare wants.

## **Moral**

The world is a true representation for him who verifies its objects, and safety is for him who gathers for the future state. It is the home of the rest for him to understand its aim and object, who is after eternal hoardings. It is the home of riches who accepts its lessons, house of advice. It is the prayer hall of God’s friends. It is the requisition hall of angels. It is a place of Divine oracles. It is the trade centre of God’s friends who acquire God’s grace, giving Paradise and reward ad hence it need not be hated.

It has already forewarned its frailty, described its peculiarity of its people and frailty, and has presented eternal pains and worldly pains from which the former can be gauged. He who becomes fond of eternal happiness, looking to worldly happiness ended his evening in health and safety, and started the morning

earnestly and fearfully with threatening. It involves worldly people into grief and sorrows and they have to rail at it. During penance, those praise it who took advice at it, on its rendering them vigilant.

**63. Similarly, falsify those who are litigating Divine couplets.**

***78. And verily did We send prophets before this. Some of them We have mentioned to you and others omitted, and no prophet brings forth a miracle but with Divine sanction, and when Divine sanction is granted, due justice shall be dispensed and the falsifiers shall suffer.***

## **Moral**

Lying is hateful and accursed vice. It is spiritual shamelessness, physical sin of which is like fornication and punishment for this, in intensity, is equivalent to 70 fornications with one's mother in the house of Allah. The criminal, in the grave, will suffer hammering on the head until the Day of Judgment. It brings down curses from 70,000 angels, and the worst in nature, it is when imputed to God or the Divine Lights.

Not the least misfortune is a prominent falsehood, which becomes a fact in an apocryphal tradition, leading to public misguidance. One cannot appreciate faith unless he gives up lying. It is a lock to all sins, and is outside the sphere of a faithful. Its legality, where agitation is likely to crop up or life of a faithful involved or reconciliation is to be effected, is permissible, but equivocally. Husbands can tell their wives he loves them and to divert the children to virtuous acts, promises may be held out, in crusade it is allowable.

The Prophet promised Paradise to a faithful who (1) furnishes true information, (2) fulfils promise, (3) refunds deposit, (4) avoids unlawful eye, (5) controls his hand from tyranny, and (5) controls his passion in speech, stomach, and sensual pleasures.

## **Verses 79 – 85**

***80. and in others you have benefit, meeting your wants.***

***81. He indicates His signs (of His existences and Unity) which of them you deny?***

***82. Do you not move about the earth and contemplate what has been the end of your predecessors most of who were stronger than you and have left their relics behind? Nothing of which they have achieved could save them.***

***83. When the Prophets came to them with distinct proofs, they were quite pleased with what of worldly knowledge they already had. And the punishment seized them for their having ridiculed them.***

***84. When they say Our punishment, they said, “We have believed in God the Unique and are away from what we have associating hitherto.”***

***85. Admission of their faith, on seeing the punishment shall not benefit them. This has been the Divine practice (of yore) with regard to His creatures, and the infidels shall be the sufferers.***

## **Moral**

Penance, on seeing punishment, is inadmissible.

7.Similarly Sayyiids were buried alive at the walls of Baghdad during the times of Bani Umayyah.

8.Cousin to Pharaoh who had concealed his faith for 600 years.

9.The faithful, in his arguments has alleged, if the claim of Moses was false as a prophet, he could not have been supported by the Omnipotent. But the fact you all have been overpowered by Moses' rod, proves his claim to be genuine.

Secondly the prophets sent as messengers for guidance cannot be liars nor are transgressors, thus proving Divine Lights immaculates. To view as genuine claim of the first three successors of Our Prophet, their falsehood and transgressions are historical facts and must be falsified.

10.E.g. Noah 'Ad and Thamood.

11.By sealing his heart due to presumption , disobedience, and self-conceit.

12.Non-Divine Lights.

13.Pharaoh's cousin and proposed successor from the intrigue to those carrying tales against him to Pharaoh and getting him killed.

16.we are not comply with your desired and the appeal of the infidels will be rejected.

17.These are the hypocrites and enemies to Divine Lights. By falsifying the Text, in misconstruing it are liable to the crime of association, besides infidelity.

18.Fifth Divine Light says, when he followed his father who was riding a mule, saw it suddenly taking fright, when a chain, held by another man following him and the old man in hue and cry appealed to his father to give him water to drink, when the man behind, holding the chain, prayed to his father not to give him water saying, "God does not desire so." This old man was Mo'awiya and the other, who was holding the chain, was an angel. To the hot springs (this is the punishment of interim period like an isthumus i.e. Barzakh, between the worldly life and the heavenly life.

# Surah Fussilat, Chapter 41

*In the Name of God the Compassionate, the Merciful*

## Verses 1 – 8

*1. Ha Meem.<sup>1</sup>*

*2. It is revealed by the Most Merciful, Compassionate.*

*3. A Book describing details, commands in Arabic, for the people who appreciate.*

*4. Through tidings given and a Warner from Whom most turn away, and hence they do not listen to him.*

*6. Say, “Although I appear simply a man like you, but unto is revealed in*

***which your God is the only unique God. Be steady at prayers unto Him Who is forgiving (on your penance) and punishing for association***

***7. “who do not pay tithes, and disown Divine Lights.”***

***8. Verily those who believe in Divine Lights and act virtuously for them is eternal reward.***

## **Moral**

Regarding the sealing of the heart in Couplet One above refers to those of infidels and associators. Their hearts are either inverted or rendered incapable of guidance under obstinacy. Regarding association in Couplets 6 and 7 above, is meant a group following unauthorized leaders who refuse to pay Khums, the legitimate due for Divine Lights. Its application may also be extended to all such creatures, which have been informed of Islam but pride and vanity and worldly engagements prevented them to accept it, or go through it.

## **Verses 9 – 18**

***9. Ask them, “Do you deny Him Who created Earth in two (periods or) days and associate others with Him, Who is the Creator of the world.***

***10. And He raised mountains over it making roads therein and fertilized the soil, fixing in due proportion provision for all the inhabitants therein, in four seasons.***

***11. Then He turned to creation of the heavens, when it was in gaseous stage, commanding Be. They complied therewith willingly.***

***12. He made the seven heavens therefrom in two days and commanded angels and decorated the lowest heaven with stars to prevent the devils from rising above, which is the design of the Mighty Omniscient.***

***13. If they still persist in denial, say, “I am only warning you of a lightening, like of which seized tribes of ‘Ad and Thamood***

***14. when their Prophets came to them before, and after them, saying, “Do not worship any but God.” In reply to them they said, “Did our God desire He would certainly have sent angels, and we certainly refuse to accept you as His messenger.”***

***15. And the tribe of ‘Ad were proud of its strength on Earth, without having any ground for it and said, “Who is so mighty as we?” Did they not notice it is God Who created them and is Mightier than they and they were disputing Our miracles.***

***16. So We sent down a strong gale in evil days<sup>2</sup> to savour them disgraceful punishment in the world and of Reckoning Day shall be worse, when they shall not be assisted.***

***17. And We guided the tribe of Thamood, but they preferred worldly life to eternity, so lightening seized them for their actions.***

***18. And We saved the faithful, who were pious.***

## **Moral**

A tradition refers to creation of Earth on Sunday and Monday and mountains on Tuesday and vegetation and trees on Wednesday, the heavens on Thursday, the sun and the moon and the stars, angels, and lastly man on Friday. The origin of creation having started with a green element, liquefied under Divine Glory, and boiled and shaken to foam and gas, from which land and clouds were formed. These were commanded to function as per Divine Will and energized.

Four periods referred to in Couplet 10 above are four seasons – spring, summer, autumn and winter, winter necessary for flowering, fructifying and growing of crops. The Mighty Creator, by effecting difference in latitude and tilting the earth's axis to its plane of orbit, with variation of land and sea, and contours on the ground, causing variation of heat, at different places, in different times, to regulate food production for its inhabitants from the Poles to the Equator (is praiseworthy).

## **Verses 19 – 25**

***19. Until they (infidels) all come to Hell on the Day, when the enemies of God shall be assembled thereto and be detained.***

***20. When they will be questioned and testimony against them, from their ears, eyes and other organs for their deeds, will be recorded against them, on denial of charges (by vocalizing these organs).***

***21. And they would address their organs as to why they have attested against them, they would reply, “God endowed upon us power of speech, as He has done on others, and He it is Who created you first and to Him have you reverted.”***

***22. You were not to hide any act from your ears, eyes, and other organs of your body, rather you presumed wrongly in supposing, verily God does not know many of your acts.***

***23. This was your presumption about God which destroyed you and you truned out amongst the losers.***

***24. If they tolerate the pains of Hell, it is their destination, and if they offer penance (at this stage) it shall not be accepted.***

***25. We fixed for them (on their denial of Divine Guides) such companions who eulogized in their eyes what was flourishing in the world and showed falsity of Eternity. So came true Our Commands, in the case of p receding tribes, be they of men or spirit in which they shall be among the sufferers.***

## **Moral**

Vocalization of various organs is not hard to be appreciated when the brain which is the store house of human activities can be made to function like a phonograph by its maker. past events are stored in ethereal sphere under electro motive waves. It is vanity to be presumptuous of Divine Truths and to discard them in vain glory to little knowledge of psychology which is still in infancy and not to follow Divine Lights sent as Divine mercy, for guidance from the Providence to Whom shall everybody ultimately revert to render account of his deeds in this world, from whence there is no escape.

## Verses 26 – 32

*26. And the infidels said, “Do not listen to this Qur’an and frown it in hue and cry (in its resistance) so as to overpower it.*

*27. We shall certainly severely punish the infidels and award them worse punishment for their deeds.*

*28. This is the reward of Divine enemies, hell, which will be their permanent abode, a reward for their intentional litigation with Our Commands.*

*29. And the infidels will pray to their Providence to point them out those two (immediate successors of the Prophet) born of (joint) man and spirit so as to bring them underneath their feet, to be case into lowest Hell.*

*30. Verily those who admitted (i.e. believed in) God in words of (as per declaration) of Divine Lights and were steadfast in their faith<sup>3</sup> shall see angels coming down to them on the deathbed saying “Be not afraid or grieved (at calamity) and be pleased with Paradise with which you are promised.”<sup>4</sup>*

*31. We have been your friends in the world, and shall also assist you in eternity, wherein you shall have to your taste, and what you demand.*

*32. As an entertainment from the All-forgiving and the All-merciful.*

## **Moral**

Attachment to Divine Lights needs ten qualities: (1) Forsaking the world, (2) avoid love of worldly luxuries, (3) cherish love for Divine Knowledge, (4) entertain piety, (5) be busy in penance and rectification, (6) regular in night prayers, (7) devoid of public help, (8) trust in God, guarding Divine commands, (9) avoid worldly people and worldly desires of food, sleep, and laughter, and (10) practice charity.

Absence of one voids another and thus renders attachment defective and not entitled to remuneration in full until under penance.

## **Verses 33 – 44**

***33. Whose invitation can be better than one (Divine Light) who invites you to God, acts righteously and maintains, “I supplicate Him?”***

***34. Virtue (i.e. reserving timely religious tenets) is not alike evil (i.e. divulging them untimely). Under such an occasion, friction has to be eliminated tactfully when the friction between you and the person will be resolved into sincere friendship.***

***35. And this gift is not given to any but the patient and none attains this stage but he who has Mighty Divine share.***

***36. And if the devil enrages you (in a feud), you pray protection from God. Verily He is Hearing and Knowing.***

***38. And if you refuse, out of arrogance, to prostrate before Him, know before your Providence are Divine Lights in prostration night and day and do not get fagged in His glorification.***

***39. And signs of His existence are in the dried up soil which, when We water, swells under pleasure and fertilizes. Similarly He Who enlivened it verily can enliven the dead. Certainly He is Omnipotent.***

***40. Verily those who misinterpret Our Commands shall not escape Us. What! He who can be cast into Hell is better than one comes under safety on Reckoning Day? Act as you like. Verily He watches your deeds.***

***41. Certainly the infidels who defied the Qur'an when it came to them and certainly, the Text is mighty (revelation).***

***42. Nothing of its past description is false nor its future prediction being revelation of the Wise and the Praiseworthy.***

***43. They do not speak of you except what they have spoken of your predecessors, and certainly your Providence is forgiving (to the penitent) and mighty in punishing (the obstinate).***

***44. Had We revealed it in Persian, they would have said, ‘Why are not its commands made distinct to us (in our tongue)?’ What! A Persian revelation to an Arabic nation! Say, “To the faithful it is guidance and the remedy for their doubts.” Those who do not believe it have their ears stuffed up and it does not appeal to them. They are as though being called out from afar.***

## **Moral**

The Persians have submitted to Divine Lights on the Arabic Text are superior to Arabs who butchered Divine Lights on the plains of Arabia.

## **Verses 45 – 54**

***45. Verily We endowed on Moses the text wherein they formed a division. Had it not been a forgone decision from your Providence, the matter would have been settled among them and there.<sup>6</sup>***

**48. And those whom they are calling before this will disappear and they will feel sure there is no room for them to escape.**

**49. Man does not feel satiated to pray to Him to get prosperity, and when adversity befalls him he gets despondent entirely.**

**50. When We, out of Our grace, savour him of Our bounties, after his having undergone adversities, verily he claims to be entitled to them, and thinks the Reckoning Day is not to occur, and further maintains if ever it did occur, and he were to revert to his Providence, he would have similar bounties there, too (as he had in the world). We shall acquaint the infidels with their deeds, and savour them of intense punishment.**

**51. When We shower bounties on a man, he escapes sideways<sup>8</sup> and when subjected to Divine trials, he extends (upwards) his arms shamelessly.**

**52. Say, "If you deny what is with God<sup>9</sup> and hell for the ungrateful who can be greater enemy (to lose blessings thereof) than you.**

**53. Shortly shall We indicate him signs in the heavens<sup>10</sup> in man himself, and which will convince them and Mohammad is His rightful Prophet. What! Is not your God sufficient as Omnipotent to testify to your being a genuine Prophet?**

**54. Beware! They are in doubt of meeting their Providence on Dooms day, whereas He is all Powerful and Knowing.**

4.Not only will angels come but shall Divine Lights intercede on their behalf from after death right to admission to Paradise to relieve their trials. Similarly, presence of Divine Lights to the hypocrites will cause grief in the grave, whereas coming of angels to Divine Lights, during the life time in the world, and utilization of their falling feathers to serve as emulates, to ward off accidents to their children, is also borne out by this Couplet.

5.By quick and sound judgment, good common sense, kind feelings and instinctive perception of character of one, with whom he has to deal.

10.Divine disasters like fire, famine, floods, earthquakes, cyclones, and volcanic eruptions, which cannot be controlled by man and must needs force to admit God's existence. Similarly, personal events, e.g. sudden illness, causing disposal of your proposals and such calamities, which cannot be diverted for the time being by any means, thus upsetting your plans are facts reminding you of God, controlling your destiny. It especially refers to events occurring, passing strange, on emergence of the 12th Divine Light, when the enemies will be transfigured and which will lead to confirmation of faith, in genuiness of Divine Light.

## **Moral**

Regarding reaping of Eternal gain, for sowing as per couplet 20 above, in the world resultant rewards for the future state may depend upon human intention. If a faithful man is married, it is necessary to have a virtuous faithful wife, with a faithful heart and tongue to produce rewards in the world, in the form of lawful property and faithful children in the world, and by virtuous sowing in form of prayers, fast and obligations and payment of tithe and pilgrimage and self-sacrificing in religious social service, while struggling against the inner foe, and being attached to the truth and justice, shall he reap from the time of participation of the soul to its ultimate salvation by admission to Paradise. Dignity of labour is this which is spiritually performed yielding eternal results.

Regarding Couplet 21 all compilation of commentaries with context of Divine Text disregarding one put forth by Divine Light, after the Prophet's demise, stands liable under association. The entire contents of the Text are indisputably the same as revealed, though deranged, and irregularly referred to.

Regarding Couplet 23 when the faithful at Medina (Ansars) having seen the Prophet entertaining new converts and others offered a part of their property to help him in carrying out the Divine Mission, which was the Divine object of human guidance, this Couplet was revealed. Material help, beyond what God has fixed in the form of tithe, khums, and Divine trust was not necessary, so self-sacrifice of life and sincere attachment in Islam, which could equally be shared alike by the poor and the rich was enjoined on Muslims. Jas as prayers have been enjoined five times a day on all Muslims, rich and poor, healthy and the sick, to prove their supplication to God as Divine Lights are only torch-bearers of Islam, those which have followed them with life and property and have proved their sincerity since the time of the Prophet to this day. This command was also applicable to previous Prophets (see Moral paragraph 9, page 71, of the first set).

Regarding 26, those who pray for their faithful brethren in their absence shall be permitted to intercede on behalf of the sinful Shias.

Regarding 27, “On the present doctrine of self-sufficiency against Divine design of making creation, it is usually dependent upon one another unlike Himself?” Man has been subjected to trial under resistance of the devil and he does not like servitude and prefers guns to butter after sheer vanity, thus urging sacrifice of social welfare in the name of self-sufficiency, which would be a denial of co-operative action in the sphere of economic relation, as could benefit all the co-operators with present critical conflicting ideologies, maintenance of peace in trembling in the balance. They want a world government, constituents of which shall be all multiple governments, each having its Eternal Dominant Government, which has been existing before their creation, and which promises food, clothing and hutting to His creation, not only in this world, but promises eternal felicity after death, provided they own fealty to Him and to Whom they have to revert finally.

## **Verses 30 – 43**

***30. And whatever adversity falls on you is due to your own actions, although God overlooks many.<sup>6</sup>***

***38. And obey their Providence in maintaining prayers and consulting Divine Lights in matters of faith, and God fearing people inn worldly personal affairs and spend in the name of God out of what they are provided.***

***39. And when they are tyrannized unbearingly, they retaliate***

***40. to the same extent of the crime, and those who forgive and reconcile with their opponents (as Divine Lights no. 2) their reward is with God. Verily He does not like the tyrants.***

***41. And those who retaliate, after being tyrannized, there is nothing against***

*them (being authorized under Divine Sanction).<sup>8</sup>*

***42. Verily, the action of retaliation is sanctioned against those who tyrannize and seek unjustly to create discord (in violating peace), for them is intense punishment.***

***43. But those who are patient and forgive, verily they are resolute in Divine faith.<sup>9</sup>***

## **Moral**

Under subject to trial (1) to pray, (2) to participate in crusade or (3) follow a Divine Light, a faithful may succeed or fail. In case of success, his faith is confirmed, and in case of failure, punishment is inevitable, as per the decree of crime in the world or Eternity or at both places. Mental misgivings unless brought out in action are solved by oral penance, and false claims of hypocrites shall take them to the lowest grade of hell – vide Couplet 33 above.

Couplet 41 is a Divine sanction to the 12th Divine Light to avenge, on Resurrection (1) Bani Umayyah, (2) falsifiers of Divine Commands, and (3) their enemies, and Couplets thereafter portray their behaviour, on seeing Divine Light, Ali, the Her, on resurrection.

## **Verses 44 – 53**

***44. There is none to sympathize, after God, whom God has forsaken, and you will see the tyrants (on Resurrection) on seeing impending punishment, asking for any (available) relief.***

***45. And you will see them, when being presented to hell, downcast in disgrace, looking sideways, when the faithful will remark, “Verily these sufferers are those who have brought themselves and their adherents to loss on Reckoning Day.” Beware the tyrants shall be in permanent punishment.***

***46. There will be none to help them except God, and for him there is no relief whom God forsakes.***

***47. Submit to your God, therefore, before the advent of the Day, when from God, there will be no turning away. You shall not have any refuge on the Day, nor plea to deny the charges.***

***48. And if they turn away (from you) We have not sent you as their guard, for you, is simply transmission of the message, and when certainly, We savour man of Our bounties, he gets puffed up, and when We chastise him for his sins forgoing it, verily he is ungrateful.***

***49. For God is the kingdom of Heaven and Earth. He creates what He likes, grants what He does females and males, whom He likes.<sup>10</sup>***

***50. Or grants both sons and daughters or makes them childless whom He likes. Verily He is Omniscient and Omnipotent.***

***51. And it does not behove Him to directly converse with any of His creatures, except through (a medium of) revelation or behind a curtain (as in Ascension) or through a Messenger carrying the revelation with His permission to whom***

*He likes. Verily He is Mighty and wise.*

*52. And thus did We send you, of Our will, an Arch-angel, Ruh before that, you were unaware of the Text, and transmission of tenets of faith, but certainly We created in Divine Light<sup>11</sup> whereby We guide whom We like of our creatures, and no doubt you guide humankind on the right path.*

## **Moral**

Emergence of Messiah, 12th Divine Light and Ali with his descendents are contemporaneous events of Resurrection and the faithful should not be upset when the Ahl al-Bayt are represented, since their position has been likened with Aaron to Moses, being clarified by the Prophet they are all Divine Lights, being on the right way, and their enemies in Bani Umayyah – Bani Abbas and their followers of like mindedness, out of jealousy proceeding by ignoring their Divine selection made them blind hearted and gained them nothing beyond temporary worldly power, for their worldly intrigues.

They (Divine Lights) cannot be likened with political pedagogues who, when they are trapped by their own followers, in their conflicting speeches admit they are not prophets and yet maintain leadership on what they view the field, changing as it does with times due to their disregard for Divinity.

Divine remembrance evokes Divine awe, and it is the foundation of wisdom, keeping man off from guilt, and ignoring it, with the lapse of time, desires of heaven and

eternal felicity die, and slavish fears over-master him. Religious shame blocks him to mediate the terror of guild. This results in his casting of closet prayers, curbing lust, and he shuns society of the faithful, growing cold to public duty, e.g. such as hearing and reading the Qur'an, and attending Godly conferences, and starts picking up holes in the coats of the Godly. Then he turned behind and told Ali they will kill you." He repeated this three times.

11. The Sixth Divine Light had seen several times, to whom had appealed the first two successors, while undergoing pangs of punishment, in the valley of Mount Kalak, near Asfan – 16 miles north west of Mecca on the road to Medina, which is a source of worldly hell, and wherefrom issue various rivers of hellish drinks for the residents thereof. Divine Light in reply said, "May not God pity you, for the source of trouble you have created in the world." This punishment before the Day of Judgment after death – Vide Haqul Yakeen, page 165, Persian Edition.

12. Regarding nomination of your succession.

13. Variation in cults means worshipping multiple gods leading to Hell. This event relates to the Prophet when he went on the Ascension (Ma'raj) in Jerusalem, where previous Prophets were recalled and Prophet Mohammad led the congregational prayers, and thereafter asked them what was the message they transmitted to their followers. They all admitted "it was the fulfilment of Divine promise regarding His Universal Monarchy, and genuineness of his (Mohammad's) being the Divine Light with the rest of his Immaculate family as the only torch bearers of Islam. Yet, in present times, people want to live on their own ideologies, in peace together, amidst Divine Wrath, simply to gain their

*6. These Couplet of God are being read out to you with truth, of what more evidence in Divine truth you need to admit faith?*

***7. Hell is for the falsifying sinners***

***8. who hear Divine Couplets which are being read out to them, which they hear and turn away in pride, as though they have not heard them. Give them tidings of intense punishment.***

## **Moral**

When our prophet is the last of all the prophets and none to succeed him, Islam brought by him has to be preserved by his Ahl al-Bayt, Divine Lights, and he is a prophet over the universe and he is commanded in (18) above to follow and propagate it to say, all faiths are alike, is contradicting the Text.

## **Moral**

Characteristics of the virtuous who shall attain salvation: Their hearts are God-fearing, contented, their wants are few, and are easily accessible, faith preserved, passion dead, temper borne down, people hope good in them and are safe against their injury, when compared with the negligent, they will be found virtuous and in a society of the learned, will not be found ignorant, though silent, but are in communion with God, forgive tyrants and are charitable to those who deprive them of their rights. They reconcile with the disaffected, avoid evil speech, they are meek, away from injury, ready to help the virtuous, inclined towards people, patient in adversity, and grateful in prosperity.

They realize Truth before evidence, do not waste trust, do not forget what is violated, do not abuse, do not tease neighbours, do not deride others, sympathize with the agonized, do not partake in unjust affairs, nor avoid the right path. Silence does not grieve them, smile slowly, leave tyrants to God, avoid the world and fire of its anxiety, nearing those who come close to them, relent to everyone, their avoidance is neither out of pride, nor proximity due to intrigue.

Note:Egotism and pride are special Divine privileges (attributes). He who shall arrogate them shall be hurled in hell headlong.

## Verses 1 – 10

*1. Ha Meem.<sup>1</sup>*

*2. The Book is revealed by God the Almighty and the Wise.*

*3. Heaven and earth and in between are not created in vain, but with the definite purpose behind them, for a stipulated period, and those who are infidels, when warned, turn away (in arrogance).*

*5. And who can be more misguided than one who worships, barring God, him who shall not answer him until the Day of Judgment. Rather, they (gods) are ignorant of his worship.*

**6. And when men will be assembled, they (gods) will be hostile to them (their worshippers) will deny their worship.**

**7. And when Our open Couplets are being read out to them, the infidels said, when Truth came to them, “This is an open magic.”**

**8. Do they say he has fabricated it? Say, “If I have done so, none can save me from Divine wrath. He is well acquainted with what you are busy about (in falsifying me). Enough is He to testify (about my genuineness) between me and you, and He is Forgiving and Merciful.”**

**9. Say, “I am not a new (warner) among the Prophets<sup>2</sup> and I am not aware of what shall be done with me and you. I simply follow the revelation unto me and I am nothing but an open warner.**

**10. Say, “Do you see! If this revelation from God, which you have been denying, and whereas it has been testified (By one Abdus Salam) of Bani Israel, who have in the Torah, and has embraced faith, whereas you have turned away in pride, (what shall be your fate). Verily God does not guide a transgressing tribe.**

## **Moral**

Abdus Salam demanded a reply to three questions from the Prophet before embracing faith: (1) a sign of an approaching Judgment Day, (2) first food men in Paradise have, (3) to whom is born a daughter and to whom a son? Reply being satisfactory, he embraced Islam.

## Verses 11 – 20

***11. And the infidels said to the faithful, if their religion had any good in it, they (as an intelligent race) would not have been superceded by (the poor faithful, who are idiots) and when they did not follow it, they began to say, “This is an old lie.”***

***12. And before that, the Qur’an, there was the Torah, guidance and mercy (for the faithful) and this revelation which confirms it, in Arabic, is to warn the tyrants (of hell for disbelieving it) and give tidings to the faithful.***

***15. And We commanded man to be virtuous to his parents, his mother conceived and carried it in travail, and delivered it likewise, and the period of her pregnancy and weaning of it amounted to 30 months, until when he attained maturity (i.e. 40 years) he prayed to his Providence to guide him so he may be grateful to Him, for His bounties on him and his parents and he should so act virtuously, as to win His will and improve upon his children, “Verily I have done penance unto Thee, and verily I am supplicant to You.”***

And they (parents) would jointly complain to God saying, "Saying woe to you. Better believe in us." Divine promise is true, and he who repeats, "This is nothing but tales of old."***

***18. These are the people on whom shall We condemn (Our Promise) along with the preceding generations of spirit and men which they shall be the sufferers.***

***19. And for every one are grades in reward for their deeds to which shall they shall be raised without fail.***

***20. And when the infidels shall be brought before hell (they shall be addressed), "You enjoyed in the world profiting thereby. Today is the reward of the disgraceful punishment for your unjustifiable arrogance and falsification (of this Day)."***

## **Moral**

1. Self-estimation is another great cause of misguidance, whereby the rich look down upon the poor for following the Prophet, takin him worthy of being obeyed.

2. Steadfastness in faith leads to salvation and has three grades, viz. common,

special, and extraordinarily special. Common grade consists in admission of God and Divine Lights with Day of Reckoning and following the commands on action and refrain. In special grade, one has to give up dainty food and clothing and prefer Divine Will with piety. In Extra-ordinary grade, one has to give up love for life, property and children and absorb themselves in Divine Glory by resigning self to Him, diligently toiling to develop spiritual form of soul.

3. Divine Light Hussain and Prophet Yenya (Joshua) were born within six months. Man at the age of 33 attains a matured gave and at 40 is at his highest rise, thereafter he declines.

4. Couplet 20 refers to worldly gluttons.

5. Couplet 13 is repetition to Couplets 38 and 39, page 8 set 1 of “The Cow” and is variously reminded by God the Almighty.

## **Verses 21 – 26**

***21. Relate the history of Prophet Hud, brother to ‘Ad, when he warned them on the sand dunes, saying several warners had preceded him and shall succeed him, and exhorted them why they did not worship the only (Unique) God. “Verily I am afraid of intense punishment on you.”***

***22. They said, “What! Are you coming to divert us from our gods? Bring what you promise us if you are true.”***

***23. He said, “Its knowledge lies with God. I have transmitted the message I was duped to, but I see you are an ignorant tribe.”***

*25. It destroyed everything which came in contact with and they saw nothing of their houses save. Thus We punish a criminal tribe.*

*26. Verily We had populated them in habitations of their predecessors and endowed upon them power of hearing, seeing and understanding (spiritual facts), but none of the faculties of hearing, seeing and understanding came to their rescue, while they were disputing God’s Commands and it enveloped them for their having ridiculed them.*

## **Moral**

Try to use faculties granted in all their various passes, physical, intellectual, and spiritual, as man is superior to the rest of creation.

## **Verses 27 – 35**

*27. And verily We destroyed other tribes in the vicinity, (and thus) exemplified them, so they may revert to us.*

*28. Why did not their gods, whom they worshiped besides Allah, come to their help? Rather they fled away from them, and this is a proof of their lie, which they were fabricating.*

**29. And call to mind when We sent you a group of spirits who were listening to you while you were reciting the Holy Qur'an, and when they assembled they said, "Listen to it with attention" and when it was completed they returned to their tribe to warn them.<sup>3</sup>**

**30. They said to their tribe, "We have heard about a Text which has been revealed after Moses (Torah) confirming the previous Text, guiding Truth and leading on to Paradise.**

**31. So better admit the call of the Divine Messenger by believing in him so you may be forgiven of your sins and saved from intense punishment.**

**32. And he who shall not admit the call is not going to withstand Him on Earth, and he shall not have any sympathizer except God, and those are in open misguidance.**

**33. What! Have they not seen God creating the heavens and earth without fatigue? And do they not deem Him Omnipotent on their recreation and re-enlivening and destroying them? Aye! Certainly, He is Omnipotent.**

**34. And on Reckoning Day, the infidels will be brought before hell, and addressed, "Is this not a fact?" They, in reply, will say, "By your Providence, it is so." They will be told, "Well then, taste the punishment for your infidelity."**

**35. So you Prophet! Be patient as the (preceding) resolute prophets and do not be in a hurry of their destruction as though they are viewing it, what they have been promised, when they will say, they did not stop the world more than an hour of the day. 2. With regard to the Mission and the treatment in lieu of its falsification.

3. After Abu Talib's death, the Prophet went to Mecca to seek public help in propagating Islam. Being unsuccessful, on his way to return home, he halted at a place where he had the occasion to convert the spirits which came to hear the Qur'an.

# Surah Muhammad, Chapter 47

*In the Name of God the Compassionate, the Merciful*

## Verses 1 – 10

*1. Those who deny (believing in Divine Lights as the only genuine Guides) and barred men from following Divine Light (Ali), wasted their past virtues (in having participated in crusade with the Prophet) leading to Eternal rewards.*

*2. Those who put fate in Divine Light (Ali) and acted righteously and further attested the Prophet in what was revealed unto him (regarding succession of Ali) from their Providence, shall have their sins absolved with betterment of their condition (reconfirmation of faith).*

*3. This is because the infidels followed imposters whereas the faithful followed the truth from their Providence and thus We describe for men the state of their faithful and faithless affairs.*

*4. And when you defy an infidel, slay him, when you capture him until he is bled to death or handcuff him and if he surrenders, the Divine Light may set him free or demand a ransom or make him a slave. This is because, if God had desired, He would have helped them, but He tries a faithful with the faithless, and the deeds of the martyrs shall not be voided.<sup>1</sup>*

***5. Shortly shall He guide them and improve their affairs.***

***6. And admit them to paradise with bounties with which He has acquainted them.***

***7. Oh you faithful, if you help the Divine Lights, it will strengthen your faith.***

***8. And those who defy Divine Lights, shall be destroyed with wastage of their past virtues.***

***9. And this is because they disliked what was revealed (to the Prophet) by God (regarding Ali) so He voided their virtues.***

***10. Have they not seen on Earth what has been the fate of the preceding people? God destroyed them, and this is an example for the infidels (which their fate shall be similar) because God is a sympathizer of the faithful where the infidels have none for them to sympathize with them.***

***11. This is because God is the protector of the believers and those who deny the truth have no protector at all.***

## **Moral**

Man should guard his virtues, rewards whereof in Eternity, commencing with

death, as worldly gifts have to be paid for his labour under Divine Justices, as the Devil has been given power in the world. Be not led away by worldly position of politicians, be they socialists and industrialists or scientists as it is payment of their labour in the world.

## **Verses 12 – 19**

***12. Verily shall God admit the faithful who have acted virtuously in Paradise, below which flow streams and let the infidels enjoy in this world and feed like beasts, as their destination is hell.***

***13. And how many of the cities, which were strong than Meccans, who drove you (oh Prophet) out. We destroyed without their having assistance.***

***14. What! He who is steadfast on his Divine proof (certifying his faith in Divine Lights) is alike him whose acts have been eulogized in his eye by passionate acts (i.e. hypocrites) and he is a slave to his passion.***

***15. Or are alike the gardens of paradise, promised to the pious, where are streams of water without (stinking) smell, or mild without change of taste, of wine sweet of the taste, and streams of transparent honey, and for them in those gardens are available fruits of every kind and forgiveness from their Providence, the same as compared to one who is in permanent hell wherein he is given boiling liquid to drying, tearing off his intestines?***

***16. And amongst them are hypocrites, who pretend to listen to you, until when they leave you out, they ask the learned men, what did he say now? Those are***

*the people whose hearts have been sealed by God, and what have followed their passion.*

*17. And those who have embraced faith shall have their guidance increased (confirmed) with endowment of piety (a sign of confirmation).*

*18. What! Are they anticipating sudden advent of Reckoning Day when its forecasts have already come? How can they be saved when they are disregarding the advice which has come to them?<sup>2</sup>*

*19. Know there is none else except God the Unique, pray to Him for forgiveness of your sins, and of faithful men and women, as God knows your whereabouts and final destination.*

## **Moral**

Best kind of prayers is admitting iniquity of Providence in obeying Divine Lights and praying forgiveness of one's sins from Him, through their intercession.

## **Verses 20 – 28**

*20. And the faithful say, "Why no commands for crusade are being received?" And when a clear command thereon is revealed, wherein crusade is declared, you will see those of diseased hearts, looking at you, as though they were under agony of death. It would have been better on their part.*

***21. To comply and make an honest statement, and when participation (in crusade) is decided, had they verified it, it would have been better on their part.***

***22. What? By turning away therefrom, they propose to fan sedition and cause disaffection among relatives?***

***23. Those are the people whom God has cursed, their ears are sealed and eyes blinded.***

***24. Do they not think over the Glorious Qur'an or are their hearts sealed?***

***25. Those who have apostate, after guidance was enlightened upon them, which was due to the devil (Khalifa II) having deceived them, by eulogizing their suggestions in winning power and position in the world and entertaining desires for a long life.***

***26. This is why those who did not approve of what were revealed by God.<sup>3</sup> They said they would not comply with it and God knows what is secreted in their hearts.***

***27. How will they help (the situation) when death angels will be lashing on their faces and backs.***

***28. This is due to their following what enraged God and they disliked to seek Divine Will, thus voiding their acts.***

## **Moral**

23. Those who spread disaffection amongst relatives by intriguing against the Prophet have been cursed. Hence the faithful should not associate with them (on religious affairs) as Hell is their destination.

24. This refers to Shaiks and those of like-minded (as per Divine Light Six in Kafi) and needs no elucidation.

26. This hatred was exposed several times, viz. in the Battle of Badr, Battle of Hunain, Batne Nakhle, water the Hajis, revelation of Khum (Khum-e-Ghadeer).

## **Verses 29 – 38**

*29. Do those who have plotted the ink We shall not expose their malice (towards Divine Lights).*

*30. If we desired, we could acquaint you with their signs, and you would recognize from the tone of their speech, and God is acquainted with your acts.*

*31. We shall try you until We find out (prove) who are the real participants of the crusade among you and patient and test your reports.*

*32. Verily, those apostate from faith and barred men from the path of God (i.e. from following the Immaculates) and disobeyed the Prophet, after guidance was enlightened on them, they shall not affect Him in any way. Rather, void is*

*their acts.*

***33. Oh you faithful believe in God and the Prophet and do not void your acts.***

***34. OF course, those who became apostate and barred the Divine Path and died as such, shall never be forgiven by God.***

***35. And do not slack and do not plead for peace. You will get the upper hand. God is with you and shall not suspend your acts.***

***36. Wildly life is nothing but play and sport, whereas if you believe and fear God, God will give you the reward and will not demand all of your property.***

***37. And if He demands, under insistence, the whole of it, and if you act in hesitation miserly (as those who departed Hussain at Karbala) He would expose your weakness.***

***38. These are the people who are asked to spend in the name of God. Those who are miserly, consequence thereof is on the one who so acts, and God is Self-sufficient and you are dependent upon Him. So if you turn away, He will replace you by another nation (Persians) who will not so act as you do.***

## **Moral**

God has given sufficient intimation of apostates who, notwithstanding their participation in the crusade, bore hatred (to Ali) and wasted their labours under

secret plotting against Ali. Ultimately, God gave a definite decision, i.e. lovers of Divine Lights, will be found outside Arabia, i.e. in Persia and elsewhere.

As when the Glorious Qur'an was being read out to them, they admitted His Commands wholly, entertaining Divine love, i.e. love of purity, that is love for the Divine Lights and hatred for lovers of the world. these are places where freely Islam can be observed in the original cult duly approved by Divinity.

1. IF the faithful overpowers the faithless he gets the booty and reward in the world, and if he is a martyr (killed for the sake of God) in the eyes of God, he receives Paradise (in return). 3. Regarding Ali's succession.

# Surah al-Fath, Chapter 48

*In the Name of God the Compassionate, the Merciful*

## Verses 1 – 10

*1. Verily have we secured an open victory (or revealed unto you Text, wherein is granted Islam for you*

*2. so God may forgive our true followers their sins, past and future, on your intercession), and fulfil completion of His bounties on you and grant them mercy, whereby they get guidance to truth through you.*

*3. And endow upon you a might success.*

*4. It is He Who endowed consolation in the hearts of the faithful<sup>1</sup> so they may confirm their existing faith and for God is the army of the heavens and the earth and God is All-knowing and Wise*

*5. So He may admit faithful men and women in paradise (for eternal residence) below which flow streams (by accepting their penance) and overlooking their sins thereby, and this is near God, a might achievement.*

**6. And punish the hypocrite men and women and associating men and women, who had entertained ill of God. Be on them an awful calamity and Divine wrath and curse, and He has prepared hell for them which is an awful abode.**

**8. Verily have We sent you as a witness, bearer of tidings and a warner**

## **Moral**

From the above one can judge the position of God's representative on Earth nominated by Him. To contravene such an authority by thought, word, or deed (with which Khalifa II is charged) is a treason and condemnable to perpetual perdition unless absolved by penance. Those who fight against God and the Prophet (Divine Light) shall be treated as per Couplet 33 Surah Five (The Table).

## **Verses 11 – 17**

***11. Shortly the lags (Bedouins) who put forth a lame excuse to accompany the Prophet (on pilgrimage) may plead their absence for preservation of property and children, and you should pray forgiveness for them. They say by mouth which is not in their hearts. Say, “If God intends to ruin you or benefit you, who can stop Him?” Rather, God is acquainted with your acts.***

***12. Rather you expected the Prophet and the faithful will never return save (from pilgrimage), and this was exposed to you as certain within your hearts and you entertained all rumours regarding the Prophet’s ruinous cause and you are a bad sect.***

***13. And for the infidel who does not believe in God and His Prophets, verily have We fixed hell.<sup>2</sup>***

***14. And for God is the kingdom of the heavens and earth. He forgives whom He chooses and punishes whom He likes and is God forgiving and Merciful.***

***15. Shortly, the lags shall say, when you go to Khaiber to seize booty, permit us to follow you. They intend to change Divine Commands thereby<sup>3</sup> where the treaty of Hudebia was affected. Say, you shall never follow us there. Similarly, pleaded to God previously men likeminded when they will argue the orders have been given for us to follow, and the faithful feel jealous of them. Rather they do not understand except a few.***

***16. Tell the lags they will be shortly invited to face a formidable tribe of Hawazin, in the battle of Hunain to fight or make peace. If they comply, God shall reward them well and if they turn away as they acted in the past he will punish them intensely.***

***17. It is not objectionable to the blind, the lame and the sick to keep away from the battlefield, he who shall obey God and His Prophet (as a Divine Light). This is a general Divine Command, shall be admitted in Paradise below which flow streams, and ho who turned away shall be severely dealt with.<sup>4</sup>***

## **Morals**

In sixth Hijri the Prophet dreamt, he with some companions goes to pilgrimage. Accordingly he started with 700 for Umra taking 70 camels for sacrifice. When he reached Zul Halifa, where the pilgrims changed dress for Ahram, spies informed the Meccans of the Prophet's marching against Mecca, so Khalid with 200 was sent ahead. When the Prophet reached Hudebia his camel refused to proceed.

Therefore, the Prophet sent Osman (K. III) to Mecca to clarify the situation created by spies, but he was imprisoned and rumoured to have been killed, upon which Baithur Razwan was affected beneath a tree whereby none was to fly, until Mecca was conquered. Meanwhile, truce was affected, viz (1) not to make war for ten years, (2) he should return without pilgrimage, (3) next year Mecca will be evacuated for three days for him to pilgrimage, (4) during this interval, if any infidel embraced Islam, he should be returned to Mecca and not vice versa.

This aroused suspicion in the mind of Omar (Khalifa II) as to the genuineness of his prophecy (this is his mental treason). A further term was imposed that no bar should be imposed for the sake of business on either party (prejudice proceeding out of pride and vanity defying truth leads to hell).

This couplet has preceded couplet 10, which followed it. This is an error in compilation as was previously noted in Surah Tribes (33:51) to have been 29.

## **Verses 18 – 26**

***18. Verily was God pleased with the faithful (only) with those who covenanted with you beneath the tree, (and not all who participated) knowing what lay within their hearts. So he put in consolation into them, granting a victory at their hands.<sup>5</sup>***

***19. And plenty of booty fell to their hands and God is Mighty and Wise.***

***20. God has promised plenty of booty which will fall to your hands and he hastens his booty for you and prevented the hands (of Bani Asad and Bani Gothan who had locked themselves up in the castle, and did not face you on the battlefield) so it may be a sign to the faithful (of the Prophet being a genuine Messenger) and keep you on the right path.***

***21. And further, other booties over which you have no control, but over which God has control and God is Omnipotent.***

***22. Had the infidels fought with you, they would have turned their backs, when they would have no support or assistance***

***23. (except wholesale slaughter) which has been Divine practice of yours and wherein you will find no change.***

***24. It is He Who barred their hands being raised against you and yours against them within municipal limits of Mecca (at Hudebia), after the fact you had the control of infidels under you and God is acquainted with your acts.***

***25. They are those infidels who prevented you from the holy sanctuary and conducting sacrifice, when it was held over for future to reach its destination. Had it not been for the fact there live in the town of Mecca faithful men and women, in mask whom you did not know and whom you would have killed unknowingly, when you would have been laughed at by associators, so He admits within His mercy whom He likes, and had it not been for the faithful progeny to be born of them, they would have been subjected to severe chastisement (by being slain).<sup>6</sup>***

***26. When the infidels, who had foolish vanity in them<sup>7</sup> when God inspired consolation in the Prophet and the faithful by enforcing piety in them which was an obligatory function for them (being most appreciative) and God is Omniscient with everyone.***

## **Moral**

1. It should be carefully perused God has expressed His will towards the faithful only and not all those who by their haughty behaviour were excluded. (The inner secrets of their hearts being known to God.)
2. Secret of Bait-ur-Rizwan had been revealed by a clever decision in the truce affected in saving the lives of faithful men and women and who had concealed their faith for having to live with the majority of infidels in Mecca. This is Divine Wisdom. The Prophet simply complied with Divine Commands.
3. Such acts are noticed when Ali, in the Battle of Siffin, prevented Malik-e-Ashtar to finish off the battle, and similarly Imam Hussain at Karbala held back the general onslaught of the enemy. This also explains postponement of the emergence of the 12th Divine Light until all the faithful are born. The Divine

secrets are only made known to Divine Lights by Divine Messages. They act righteously throughout their life, unlike political pedagogue claiming to serve the nation, dedicating themselves and praying mob leading to ruin their ultimate cause (12-9-55). They rely on the wisdom of the mob.

## **Verses 27 – 29**

*27. Verily God has verified the Prophet in his dream being true which you would enter the holy sanctuary, God willing, safely after shaving your heads and removing your nails, without any fear. He knows what you do not know, so before the conquest of mecca, he arranged a victory of Khaiber.*

*28. It is he who sent His Prophet with guidance and true religion to overpower other faiths (although they may have been revealed by God but had deteriorated with lapse of time) and God is enough as a witness (to your being a genuine prophet).*

*29. Mohammad is God's Prophet; those with him are strict towards the infidels, and considerate amongst themselves. Forbearing, prostrating and seeking Divine grace and will, excessive prostration has left marks on their foreheads. These very qualities are to be traced in the Torah and Bible, like a cultivated field having sprouted its needles and strengthened itself to thickness, and then stood on its own foundation, pleasing its cultivators and enraged infidels, and God has promised the faithful who have acted virtuously forgiveness and great reward.*

## **Moral**

Rapidity with which Islam spread all over has always been a subject of great

discussion amongst historians, which was also presaged by the Prophet on the battlefield of the Trench. Large heartedness, politeness with piety was mighty moral armaments, with which Islam marched against infidels to enforce conversion to Islam.

---

1. Who did not object to the Prophet's contracting a treaty at Hudebia.
2. This applies equally to all Divine Lights who bear the same connection as Aaron and Moses.
3. Whereas the order for Khaiber refers only to those who accompanied the Prophet to Mecca on pilgrimage.
4. Therefore those who turned away from Ali and Imam Hussain, everyone of his age from respective Divine Lights is liable under Couplet 17.
5. I.e. Khaiber which was won by Ali when Shaikhs retreated to save their lives with the army.
6. This was the secret of Suleh Hudebia.

# Surah al-Hujurat, Chapter 49

*In the Name of God the Compassionate, the Merciful*

## Verses 1 – 10

*1. Oh you faithful do not precede God and His Prophet<sup>1</sup> and fear God and God is Hearing and Knowing.*

*2. Oh you faithful, do not raise your voice over the Prophet's, and do not call him by name as you do among yourselves, lest your acts be void unawares.*

*3. Verily, those who lower their tone before God's Prophet are the people whose hearts have been tested for piety by God and for them is forgiveness and a great reward.*

*4. Verily those who call you out loudly, behind your apartment, have no common sense in most of them.*

*5. Had they waited until you had come out of your apartment, it would have been better in their favour, and God is Forgiving and Merciful.*

**6. Oh you faithful, when a disobedient (passionate) person brings you any information, verify his statement lest you may unawares treat the sect unfairly and be repentant later.<sup>2</sup>**

**7. Know with you is a prophet of God. Had he accepted your statements in most affairs, you would have come to grief, but God has approved of faith in your heart and exalted it and disapproved of disguising truth, disobedience and transgression, and those are the wise (who accept it).**

**8. This is Divine grace and bounty and God is Knowing and Wise.**

**9. If two groups of faithful fight against each other, affect reconciliation between them. **10. Indeed the faithful are nothing but brethren among themselves, so affect reconciliation between them. Fear God so you may be mercified.**

## **Moral**

The Prophet's advice to Ali was, "Go over to visit the ill to a distance of one mile, accompany the funeral if at two miles, accept the invitation within three miles' radius, visit a religious brother within four miles, relieve the needy within five miles, help the tyrannized within six miles, and ever make amends for your weakness, praying forgiveness and note affecting reconciliation carries the reward of a crusade.

## Verses 11 – 18

**11. Oh you faithful do not laugh at one another (by finding fault). They probably may be better than those who laugh at them (from the point of view of piety) nor should women laugh at others, lest they (latter) may be better than their sisters who laugh at them, and do not libel any by signs and call them by name. It is an awful action after having embraced faith. he who does not make amends is disobedient.**

**12. Oh you faithful, avoid excessive suspicion, some of which is a sin, and do not be after looking for defects of others, and do not backbite one another. Do you want to eat the flesh of your brother whom you spite (which is unlawful)? Fear God, and God is Merciful (to the penitent).**

**13. Oh you people, We created you from Adam and Eve as man wife (although through propagation) (het creation was Our lookout) and divided you in groups and sects so you can be easily verified and before God, most honoured is he who fears God most and God is Knowing and acquainted with your deeds.<sup>3</sup>**

**14. The Bedouins said, “We have embraced faith.” Say, “You have not, better say we have accepted Islam. Faith has not found room in your heart, and if you obey God and His Prophet, God would not reduce the reward of your acts. Verily God is Forgiving and Merciful.**

**15. The faithful are those only who believe in God and His Prophet and never doubt again and fight in His name with property and life, and these are only justified in calling themselves faithful.**

***16. Say, ‘What, do you inform God of your faith? God knows everything of the heavens and earth and God is Omniscient.***

***17. They obliged you having accepted Islam. Say, “Do not oblige Me for having embraced Islam. Rather God has obliged you by having pointed out the way to embracing faith, if you are true in your claim.***

***18. Verily was God pleased with the faithful (only) with those who covenanted with you beneath the tree, (not all who participated) knowing what lay within their hearts, so he put in consolation into them, granting a victory at their hands.<sup>4</sup>***

## **Moral**

God has distinctly differentiated pretenders from the faithful. Muslims are those who, by admission of the tongue, are entitled to safety of their life and property, such as inheritance and marriage, worldly benefit having no claims to eternal rewards, until and unless they prove themselves by their deeds of self-sacrifice and property, when tested in the crusade, as this earth is merely a Divine Trust.

A faithful committing major sins gets out of its fold and remains a Muslim without having title to acceptance of virtues. A Muslim illegalizing legal deeds of Islam or vice versa gets out of fold of Islam, rendering himself worthy of being beheaded. A faithful is one who owns fealty of Divine Lights of his body and soul – vide Moral to Paragraph Five, Sura 33, the Tribes.

---

1. In religious affairs such as goat sacrifice, before prayers in Bakrid Festival, or declaring crusade before declaration of Divine Light.
2. This occurs commonly with a talebearer and during certain lectures, which must be discouraged as per Divine Light, never accept a complaint of your better half, against your parents and nearest relations.
3. Thus cast distinction is wiped off in Islam.
4. I.e. Khaiber which was won by Ali when Sheiksh retreated to save their lies in the army.

# Appendix 7: Abstract of Prayers of Four Divine Lights to Grant Amiable Character

*In the Name of Allah, the Merciful, the Compassionate*

*Oh God, shower Your mercy on Mohammad and his revered family, fulfil my faith, strengthen my belief, perfecting intentions, improve my affairs, and with Your might rectify my ills. Save me from avocations, anxiety whereof engages me, and employ me in what You shall question me on the Day of Judgment, and enable me to pass my days in what You have created me. Do not throw me dependent on others, enhance my provisions and do not try me with the evil eye, whereby I envy, be jealous, bear malice, or practice fornication. Endow on me honour, do not cast me to take being wasted, through self-praise. Let others benefit through me, and endow on me guidance, such as I should not stand in need of others, and wherefrom I may not turn.*

*Do not raise my stand before the public until degrading me before self in like degree, and do not create any toward respect until an equally inward self-degradation is created in me. When my soul is diverted to worldly acts, seize me, prior to enhancement of Your wrath, shower Your mercy on Mohammad and his revered family, and do not leave me in such a condition wherein there may be defects without rectifying same, and endow on me love vice malice towards others. Friendship, vice, envy of enemies, confidence in virtue vice suspicion, proximity to my near ones vice their separation, gift vice their denial, remembering them in good terms, vice their backbiting me, thanksgiving for a kindly return, obligation to relations vice their disobedience, sincerity, vice flatter.*

*Bestow on me strength to withstand tyrants and tact to overcome their tricks in speech and acts. Guide me to obey Him who rectifies me, shower Your mercy on*

*Mohammad and his revered family and perfect my obedience to You in maintaining (1) justice, (2) self-mastery, (3) quenching the fire of hostility, (4) befriending forsakers, (5) to denying internal dissensions, (6) spreading virtue, (7) over-looking shortcomings, (8) bearing forbearance, (9) maintaining politeness, (10) adopting leniency, (11) giving up and finding fault, (12) approving doling of gifts, (13) giving more to undeserving, (14) speaking the truth, (15) under-rating self-virtue, (16) over-rating self-views, (17) ever complying, (18) associating virtuous, (19) avoiding innovators.*

*When I grow old, endow on me energy and do not try me, whereby I avoid Your obedience, be misguided, talk against Your will, associate Your enemies, avoid Your friends, and guidance to glorify You, meditating on Your bounties, Your glory, during creation of infernal desire in me, suspicion, jealousy, speaking ill of others, dishonouring and back-biting faithful, bearing false witness, abusing or revelling in like talk. Endow on me chastity so I die for You, live for You. Heal me with Your blessings. I have nothing to pride on, save to depend on Your grace, for all Your gifts. Guard me under Your protection and do not try me whereby I engage in search of excessive provision, making wasteful expenditure or suffer pangs of earning a livelihood. Endow on me unaccountable provision whereby I may not have to lift the load of evil consequences of amassing wealth sacrificing time needed for your remembrance and do not turn me a beggar, thus degrading one.*

*Shower Your mercy on Mohammad and his revered family and endow on me gifts of acceptance of my prayers, achievement of forsaking the world and acquisition of true knowledge, by engaging in earning lawful provision, maintaining piety and enduring my life in Your forgiveness and grace, awakening me to your remembrance during negligence and lightening of path leading to Your love, thus perfecting my welfare in this world and eternity. Guide me to pray to you and importune to You alone in straits and barring You, not to seek assistance from anyone else, during helplessness and not to lower self before any save You during need, else I shall render myself capable of being thrown away outside your sight of mercy. Grant me safety and success on Resurrection and raising from the grave, for You are my Saviour during grief and hope and during disappointment, rectifier of my ills.*
